

MULTIPLE CAMPUSES MULTIPLE BENEFITS

Our four-campus model allows HCA to provide one-on-one attention and instruction for each student to achieve his or her highest potential. Faculty and staff collaborate to ensure a high-quality, consistent educational experience in Catholic faith formation and curriculum.

With over 550 students from our four member parishes and neighboring parishes, we offer a different model of Catholic education for the St. Louis area.

"HCA's multiple campus design is unique...[it] helps create strong bonds between students and teachers at the campuses, as well as being able to utilize the churches for Masses and worship." - HCA staff member

"HCA has everything my family is looking for when it comes to raising our children with a love for Christ, a love for others, and a love for learning." - HCA Parent

OUR CAMPUSES

Early Childhood Education Center of Seven Holy Founders

2-5 years

Play-centered programming with faith-based, age-appropriate activities enrich our classic preschool curriculum. Students progress to the Primary campus ready for Kindergarten.

Primary Campus at St. Michael the Archangel

Kindergarten - 2nd grade

Small class sizes allow for individualized attention and instruction, while students build relationships across campuses with Academy field trips and grade-level activities.

Middle School Campus at Annunciation

6th-8th grade

Individualized scheduling, electives, and a 1:1 Chromebook program all prepare our oldest students for life beyond HCA. Middle school students participate in service activities, the Luke 18 retreat, student council, and other leadership opportunities to enrich their faith and ensure their preparedness for high school.

OUR CAMPUSES

Intermediate Campus at Our Lady of Providence
