The ECEC campus is looking for volunteers to help in the cafeteria. 11:30-12:30 starting after Labor Day. You would help assist children with opening lunch items, encouraging them to eat and cleaning off the tables. Volunteers may or may not be helping with their child's classroom depending on the needs of the day. Children that typically get picked up at 11:5 could stay and eat lunch, while a parent or other adult helps with lunch. Volunteers must complete the Safe Environment Training through the Archdiocese. Training dates available at [www.archstl.org](http://www.archstl.org)

## for Pre-Schoolers

### AGES 4 & 5

Sign up for our non-competitive  
karate classes—chop-chop!

Our fun and unique program is specially designed for children ages 4 & 5. This non-competitive curriculum incorporates karate, fun, and fitness. Through the use of obstacle courses, line karate, warm-ups and drills, children develop basic karate skills, as well as receive positive feedback and gain self-discipline.

Our instructors teach basic blocks, punches and kicks while emphasizing a healthy attitude versus absolute precision. Karate can help children improve their focus and concentration, and develop self-control through fun and organized activities that are developmentally appropriate. Best of all, the program is delivered in a supportive and nurturing environment that helps children develop a strong sense of self-esteem and confidence.
