NEW CLEVERTOUCH BOARD

We are very excited to receive our first Clevertouch Board, thanks to the generous donations at the HCA GALA in November. Mrs. Kroboth has already started using it in music class.

Our teachers will learn more about the functions and capabilities as over the next several months.

The Clevertouch board is an interactive touch screen board that gives teachers more opportunities to create new lessons for large group and individual learning opportunities. The Board is on a large portable rolling stand. Thank you to Mr. Perry for putting it together.

SUNDAY JANUARY 29 OPEN HOUSE 11:00-1:00

Please stop by any of the campuses to take a look around and find out more about HCA. We encourage families to go look at the Primary campus so you can start planning for your child's next step in Catholic education.

Please share our open house event with your friends, neighbors, co-workers and family. Parents are HCA's number one resource for letting families with young children know about are wonderful program. We are always thankful for the referrals and kind words that you share with others.
