

ECEC News January 7, 2022

The weather may be cold outside, but we are still moving and getting lots of exercise inside.

Covid Updates: We have many children out in quarantine this week, due to family exposures during the Holiday break. We ask each family to continue to monitor their family's health, even with fully vaccinated family members and keep children home if a member within the household is being tested for covid.

We are thankful for all of the good communication we have received from families regarding covid tests and symptoms. Please note that if you email our nurses or administrators over the weekend or after school hours, you may not get a response until the next school day. We ask that you keep your child at home until you hear from the nurses. Thank you!

Open House: Please invite your friends, neighbors and family to attend the open house on January 30, 2022 from 11:00 -1:00 p.m. This is a great opportunity for them to learn more about our early childhood program and see the building. You can also go visit the Primary Campus at 7630 Sutherland to learn more about our Kindergarten-2nd grade campus. Did you know that your child can ride the bus from the ECEC campus to the Primary campus in the morning and afternoon, so you can still drop off and pick up from one location.

Scholarships: Kindergarten - 12th Grade Scholarships Available through the Archdiocese Foundation. Scholarships should be applied for by using the online link: <https://tdef-stl.org/> The application process opens on January 18. It is highly recommended applying for the scholarships on January 18.
