# Administrators' Note

Our 2nd and 5th graders had a great time on their field trip to the Sheldon Theater. We love bringing our campuses together and hope to do more things like this next school year! We enjoyed our HCA Dress Down Day for Ukraine. Our 2nd grader Tommy Grupe did a great job coming up with this idea!

Lenten Collection:

Thank you to all the families that participated in the Lenten Change for Change and the Middle School Mission Carnival. Holy Cross Academy raised over \$2750 for Melissa's Hope! This will truly change the lives of the children in Haiti and support the programs that Melissa's Hope can offer the community there.

**Please keep our 2nd graders from SMA, OLP, and ANN in your prayers as they receive their First Holy Communion this weekend.**

# Intermediate Campus

We surprised Dr. Mullenschlader for his birthday by everyone joining in on his Bow Tie Tuesday tradition!

# Intermediate Campus

Mrs. Krobath was recognized by the Crestwood Kiwanis Group for her work as a music teacher. We are so lucky to have her teaching our children!

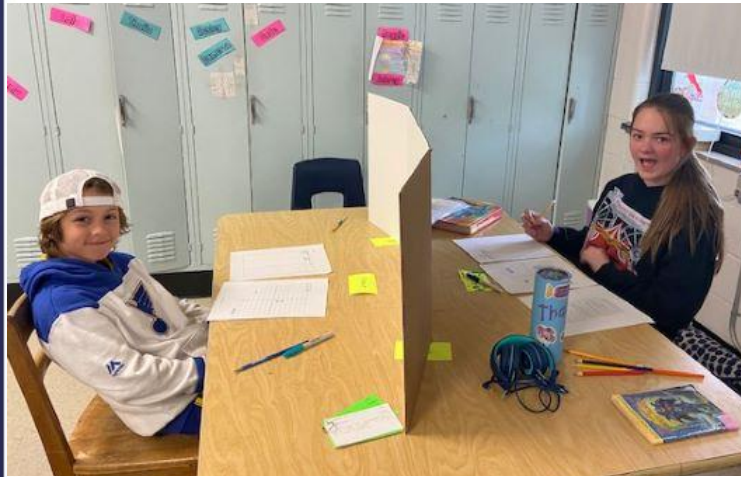

We celebrated Secretary's Day with balloons, flowers, and snacks for Ms. Katie.

# Intermediate Campus

5th Grade students learned about the four quadrants by playing Battleship in Math class.

# Intermediate Campus Parents

The intermediate spring concert is quickly approaching. The students have been working very hard and are excited to perform. We will perform on Wednesday, May 11th at 6:30 in the Our Lady of Providence church. Students should arrive no later than 6:20. The students should wear "nice" clothes for the concert, preferably no jeans or athletic apparel. Students will be asked to remain with their parents in the church until they are called to their places. We kindly ask that the students remain seated and not congregate in the church prior to the concert. The concert will be live-streamed on the OLP YouTube channel.

If your child will not be attending the concert, please send me an e-mail. Every student has an instrumental part so I want to make sure that all parts are covered.

Thank you,  
Eryn Krobath
