Administrators' Note

- It's been an exciting week!! The Primary campus took TWO field trips to the Intermediate campus. Kindergarten had a great time working with their fifth grade buddies. The 2nd graders enjoyed a First Communion Reflection morning, which included some fun activities with the third graders. Everyone at the Primary campus had fun with their egg hunt on Tuesday. Also, our first graders have started their ABC Countdown to Summer. It's hard to believe that summer is around the corner!
