Dear Parents,

Happy belated Catholic Schools' Week! Though the snow has thrown a wrench into the week, we'd still like to celebrate and recognize parents as the primary educators of your children. The Academic and Student Life

"Those that hope in the Lord will renew their strength" Isaiah 40

subcommittee of the Holy Cross Academy Board of Directors seeks to partner with you and hear your input on the education of your child(ren). Your input will help us continue to deliver on our mission to provide the highest quality academic and faith formation program where each student develops spiritually, intellectually, and socially. Please take about 5-10 minutes to fill out the attached survey so we can better understand the academic needs of our HCA students. We plan on using the feedback we get to make recommendations to the board and administrators as to how to best serve our families. *Please complete the survey by Monday, February 14.* We greatly appreciate your time!
