8874 Pardee Rd.

Crestwood, MO 63123

Last week Ms. Rakin came to visit some of our Pre-K students who will be in kindergarten next year. She introduced herself, spent some time visiting with the children and read them Pete the Cat. It was a wonderful way for our students to begin getting to know Ms. Rakin!

The Butterfly room spent some learning to work together by putting together a large floor size puzzle. Working together as a team paid off and they were able to complete the puzzle.

Seahorse room has been busy learning about the letter C.
